RE: Loan/ Application Number: 228071342

Dear Borrowers:

Congratulations! Your application for a reverse mortgage has been approved with the following terms:

Product:	HECM Monthly
Appraised Value:	500,000.00
Purchase Price:	
Loan Amount:	333,000.00
	The loan amount is based on interest rates. It is possible that the movement of interest rates could cause your loan amount to be higher or lower at the time of loan closing.
Interest Rate:	To be determined at closing by adding a margin of 2.250* to the index value in effect at that time. The interest rate will adjust annually <input checked="" type="checkbox"/> monthly.
Payment Plan:	Line Of Credit

The Loan Amount above is your Gross Benefit for which you are eligible and the loan amount for which you have been approved. At closing there will be a number of deductions from that amount that will reduce your actual cash proceeds or available proceeds going forward. These deductions will include: (1) origination fee; (2) mortgage insurance premium or mortgagee insurance fee; (3) a servicing fee set-aside; (4) a set-aside for repairs, if applicable; (5) other closing costs (see your Good Faith Estimate for estimates of various closing costs); (6) payments for property taxes and/or property insurance premiums, if applicable.

In addition, the amounts to pay off any existing liens against your property or other amounts that you direct us to pay will also be deducted from the available proceeds. Be sure you discuss these deductions with your loan specialist so you understand their impact on your available proceeds.

The Payment Plan indicated above is as you have selected at this time. You may change your selected Payment Plan option at any time.
